Re: MVR #62D5

Dear Sir:

Upon the behalf of Fort Bend Democrats, I am requesting an extension of time to respond to this complaint. The material was sent to our P.O. Box. This summer being an off election year, the box has been checked sporadically. We learned of this complaint on July 20, 2009. Secondly, we need time to check relevant statutes, rules and law concerning the issue as well as possibly retain legal counsel in this area of the law. Lastly, we will have to search our available 2008 records which are in storage. Consequently, we are respectfully requesting a forty-five day extension in this regard.

Thank you for your consideration.

Sincerely,

Donald W. Bankston
